Upon the following expressed terms and conditions, to-wit:

1.2 CONTRACT TERMS

This rental contract shall commence on <<Lease Start Date>>, expiring on <<Lease End Date>>.

A. A \$50 leasing administrative fee is due from tenant(s) prior to property manager completing this contract and a \$50 leasing administrative fee will be charged with each contract renewal or extension(s) totaling greater than 2 months in length. Any renewal or extension of this contract must be in writing and signed by all parties hereto, their successors or assigns.

B. This rental contract may not be assigned without the written permission of the PROPERTY MANAGER to such assignment and no portion of the leased premises may be sublet during the term of this rental contract without the written consent of the PROPERTY MANAGER to such subletting. Adding or subtracting co-tenants must be done via a contract amendment, which must be approved in advance by PROPERTY MANAGER. Any new TENANT must meet Broadmoor Bluff Realty's published TENANT qualifications.

C. This rental contract shall bind and benefit alike the heirs, successors, and assigns of the prospective parties hereto.

D. TENANT agrees to give written notice of intention to vacate or desire to renew the lease to PROPERTY MANAGER at least one-hundred and twenty (120) days prior to the expiration of the term of this agreement. If tenant does not provide written notice of intention, this is notice to the LANDLORD that TENANT does not intend to renew and will vacate at the end of the current lease term. If the lease is not renewed, the tenancy will terminate at the end of the current lease. ALL RENTAL CONTRACT PERIODS SHALL END ON THE LAST DAY OF THE MONTH. TENANT WILL PAY RENT AND UTILITIES UP TO AND INCLUDING THE LAST DAY OF THE MONTH. NO PRORATING.

E. In the event the TENANT vacates the leased premises for any reason, other than pursuant to the provisions set forth in the Military Clause under Section G, prior to the expiration date specified in paragraph 1 above, said TENANT continues to be bound by all the terms and provisions of this Rental Contract. TENANT will continue to be responsible for rent, utilities, landscape care and snow removal until the property is re-rented and occupied, or owner notifies PROPERTY MANAGER of intent to sell, or the expiration of the rental contract, whichever comes first. In addition, TENANT shall be responsible for a contract termination administrative fee of \$850.00 to cover costs and expenses of re-leasing the property. The contract termination administrative fee is due from TENANT when tenant requests early termination of their lease. Re-leasing of the property will begin after the contract termination administrative fee is paid.

F. The TENANT promises and agrees that if default be made in the payment of rents or in the performance of any other conditions under this rental contract, that this rental contract may be forthwith terminated at the election of the LANDLORD and the TENANT will immediately surrender and deliver up possession of the leased premises to the LANDLORD upon receiving written notice from the LANDLORD stating the breach or conditions of this rental contract and the election of the LANDLORD to so terminate the rental contract. LANDLORD may also elect to terminate the TENANT'S possession of the premises without terminating the obligations of TENANT under the lease. No such taking of possession of said premises by LANDLORD shall be construed as an election on LANDLORD'S part to terminate this lease, unless a written notice of such intention be given to TENANT. Landlord may at any time after taking possession without terminating the lease,

elect to terminate this lease for such previous breach. In the event it becomes necessary for the LANDLORD to employ an attorney to enforce any of the provisions hereof or to enforce the collection of any rents due under the term of this rental contract, the prevailing party in any litigation shall be entitled to recover from the other all court costs incurred in maintaining such action, together with a reasonable attorney's fee.

G. **MILITARY CLAUSE:** Should official military active duty orders force the TENANT to relocate to a military installation outside of Colorado Springs, CO prior to the expiration of this rental contract, thirty (30) days written notice and receipt of copy of bona fide military orders shall be accepted as proper notice of termination, and the rental contract terminated without penalty and with no obligation to pay rent for the remaining months of the term of the rental contract subsequent to TENANT vacating premises. However, IAW Servicemembers Civil Relief Act (SCRA), rent will be paid through 30 days after the next rent payment. PCS, deployment of 90 days or greater, separation, and retirement move dates will be honored up to 30 days prior to Report Not Later Than Date (RNLTDD). Dishonorable discharges will not be accepted to terminate a lease under this military clause. TENANT is responsible for keeping utilities of unit on and paid for until the date the lease terminates IAW SCRA provisions, even if they depart earlier.

H. **TENANT OBLIGATIONS UPON VACATING PREMISES:** Upon termination of agreement TENANT shall: (1) give PROPERTY MANAGER all copies of all keys (including mailbox) and garage door openers; (2) vacate premises and surrender it to PROPERTY MANAGER empty of all persons; (3) vacate any and all parking and/or storage space; (4) clean premises per Broadmoor Bluffs Realty cleaning checklist dated January 1, 2024; (5) mow, trim, and clean up yard debris and dog droppings (6) have carpets professionally steam cleaned with a truck mounted system, and use animal enzyme treatment if animals were in residence, (7) repair any damages to the premise, and (8) give written notice to PROPERTY MANAGER OF TENANT'S forwarding address and phone number. If TENANT fails to deliver the property back to the LANDLORD in a totally re-leasable condition as required under the terms of this rental contract, TENANT will be charged treble rent until such time as LANDLORD is able to repair and/or clean and bring the property into a re-leasable condition.

I. If TENANT fails to move out before noon Colorado time on the last date under the terms of this lease, TENANT shall be considered a holdover TENANT and will be charged treble rents for any holdover period plus damages such as loss of rent from prospective tenants plus fees or charges incurred to have TENANT removed from property.

J. If TENANT vacates the property during this lease or at the end of this lease and leaves personal property or other belongings in the premises, TENANT agrees and consents that LANDLORD may consider all of said property abandoned by TENANT and TENANT hereby authorizes LANDLORD to collect and dispose of said property any time after LANDLORD becomes aware of the abandonment. TENANT shall be responsible for all of LANDLORD costs and expenses in collecting and disposing of said property and TENANT agrees that LANDLORD shall not be responsible for nor have any duty to sell or protect such property and that LANDLORD may, if they so elect, dispose of any such property as trash/garbage. LANDLORD shall have no duty to sell or attempt to sell any of such property.

K. TENANT agrees that LANDLORD and PROPERTY MANAGER, shall not be liable for any personal injury or bodily injury sustained by TENANT or TENANTS's guests, for any bodily injury, any illness, or any environmental injury or illness which occurs on or is related to the property. This release of liability shall apply to all bodily and personal injuries or illnesses, regardless of cause, except for those caused by the GROSS NEGLIGENCE of LANDLORD and/or PROPERTY MANAGER. TENANT agrees, that in a proceeding before the court, to establish gross negligence by LANDLORD and/or PROPERTY MANAGER, resulting in bodily or personal injury or illness, that **clear and convincing evidence** of such gross negligence shall be required and LANDLORD and/or PROPERTY MANAGER, shall not be liable unless gross negligence is proven by **clear and convincing evidence rather than a preponderance of the evidence** as is normally required. TENANT IS ADVISED THAT BY SIGNING THIS LEASE, THEY ARE GIVING UP CERTAIN LEGAL RIGHTS. TENANT IS ADVISED THAT THEY HAVE A RIGHT TO OBTAIN LEGAL COUNSEL BEFORE SIGNING THIS LEASE.

L. TENANT acknowledges that LANDLORD has made no representations as to the environmental condition of the property, which includes but is not limited to such things as radon gas, hazardous materials, asbestos, lead base paint, mold, fungi, algae or any other type of growth or environmental hazards. In the event any such environmental hazards shall be found or identified on the property, LANDLORD shall not be liable for any injury or damage sustained by TENANT due to or arising from such environmental hazard and TENANT specifically waives and releases LANDLORD from such liability, to include, but not be limited to any moving or relocation expenses incurred by TENANT. TENANT assumes and accepts the duty and liability of determining how much or how little TENANT needs or wishes to know or learn regarding such hazards and TENANT, by signing this lease, expressly accepts the condition of the property with respect to such items and agrees to hold LANDLORD, and its agents and servants harmless for any claim for damage or injury caused by such conditions. The burden of proof set out in the paragraph immediately above shall apply to this paragraph as well.

M. Misstatements or misrepresentations on the Rental Application, whether inadvertent or intentional shall be considered a breach of this lease, regardless of their materiality or seriousness, and shall give LANDLORD the right to terminate this lease. Any and all applications are hereby incorporated into this lease by reference and shall be considered a part of this lease.

N. Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. If this rental property was built prior to 1978, TENANT acknowledges that they have been provided and signed a Lead-Based Paint Disclosure Form prior to signing the lease. TENANT also acknowledges they have received a copy of the pamphlet, "Protect Your Family from Lead in Your home."

O. A TENANT that rents residential real property in Colorado has the right to be informed of whether the property has been tested for elevated levels of radon. TENANT acknowledges that they have been provided and signed a Radon Disclosure Form prior to signing this rental contract. TENANT also acknowledges they have received a copy of the brochure on radon published by the Colorado Department of Public Health and Environment, pursuant to C.R.S. 25-11-114(2)(a).

P. No clause or provision of this lease shall be construed against either party as the drafter of the same. In the event any clause or portion of this lease is found to be invalid or not enforceable, the remainder of the lease shall remain fully valid and enforceable.

Q. TENANT grants PROPERTY MANAGER the authority to transfer the security deposit to the owner or any subsequent owner or any subsequent PROPERTY MANAGER of the property at any time, with or without notice to the tenant, and to assign this lease to a new owner or PROPERTY MANAGER with or without notice to the tenant.

1.3 RENT

The TENANT hereby agrees to pay the LANDLORD as rent for the demised premises a monthly rent of <<Monthly Rent>> on the first day of each and every month throughout the term of this Rental contract, for a total of <<Total Rent for Lease Term>>, which includes any prorated rent for the first month. Should tenancy commence on a day other than the first (1st) of the month, the first month's rent shall be prorated or adjusted between the parties hereto so that all additional rental payments shall become due on the first (1st) day of each month. Rent payments are due on the first day of each month without deduction or offset for any reason, including assertions of LANDLORD's failure to comply with lease terms. The monthly rental payments will be made electronically to Broadmoor Bluffs Realty's account on the first business day of each month. RENTS WILL NOT BE PRORATED ON THE LAST MONTH OF TENANCY. TENANT WILL PAY THE FULL MONTH'S RENT FOR THE LAST MONTH. Any amounts due from the TENANT shall bear interest at the rate of 18% per annum. TENANT shall bear all risk for mailing or any other type of delivery of the rent and rent will not be considered paid until actually received by PROPERTY MANAGER.

A. TENANT must sign up for recurring electronic (Autopay) rent payment, establishing the rent payment for the 1st of each month. Rent will be paid from TENANT's account on the first business day of each month. Rents are due on the first (1st) by 11:59pm, and are late after this. Rents not received by the PROPERTY MANAGER by 11:59pm MT on the eighth (8th) calendar day will be assessed late fees (this includes a non-sufficient funds notice which causes the rent to be late after this date). TENANT agrees to pay a late fee charge of five percent (5%) of the monthly rent past due or \$50 whichever is greater. TENANT payment by eCheck in tenant portal is free, payment by other methods (like credit or debit cards) will incur fees, which are identified in the tenant portal.

B. Monies received from tenants will first be applied to any previously unpaid rent, prior to being applied to current rent.

C. A non-sufficient fund fee of twenty dollars (\$20.00) shall be assessed to the TENANT for each returned electronic payment, check, bank draft, money-order, and non-sufficient funds notice. If TENANT electronic rent payment incurs a late fee or electronic rent payment is denied for non-sufficient funds or any other reason, PROPERTY MANAGER can require future rent payments to be made by cash or certified funds through an AppFolio Payslip used at a local vendor who can receive cash or certified funds. TENANT will be responsible for any fees charged by vendor to receive and credit the cash or certified funds to their rent.

D. PROPERTY MANAGER will serve a notice to comply if rent is not paid by the 1st day of the month. TENANT will be charged a fee for delivery. If TENANT has not paid within the 10-day time period, Broadmoor Bluffs Realty will begin the eviction process.

E. TENANT should expect a rent rate increase to market value when renewing this rental contract.

F. LANDLORD cannot guarantee that the property will be available to TENANT on the lease start date. If the existing tenant fails to vacate as agreed or damage to the property beyond LANDLORD'S control occurs, LANDLORD will take all appropriate steps to try to make the property available as quickly as possible. TENANT, under these circumstances, has the right to terminate the lease by giving notice to LANDLORD, but LANDLORD will not be liable for TENANT'S moving, living, storage or any other expenses incurred because the property is not available. Rent, as set out above, will be adjusted on a daily prorated basis for the time the property is not available.

G. **TENANT may NEVER withhold rent, use rent as a set off to make repairs, or at any time fail to pay anything other than the full rental amount due, regardless of any breach or alleged breach of this lease by LANDLORD, except upon compliance with C.R.S. 38-12-501 et seq.**

H. It shall be a violation of this lease for TENANT to interfere with the LANDLORD, PROPERTY MANAGER, contractors, or to use rude, foul-mouthed, threatening, abusive and or insulting language when dealing with the LANDLORD, PROPERTY MANAGER or contractors. TENANT will be provided one warning that such behavior is not acceptable and will not be tolerated. If the behavior persists, TENANT will be served with a 10 day demand and shall be subject to eviction, and thereafter, all communications will be in writing and TENANT will not be allowed to enter PROPERTY MANAGER'S office, and TENANT will be considered a trespasser.

I. TENANT shall be responsible for and shall repair all glass breakage caused by TENANT or TENANT's guest.

J. TENANT acknowledges that he has received the property in a clean and orderly condition and under no circumstance shall dirt or cleaning be deemed normal wear and tear. TENANT shall be responsible for and shall leave the property in a clean and orderly condition.

K. LANDLORD may accept partial payments from TENANT, at any time, without effecting nor waiving any rights which LANDLORD has under this lease nor shall it effect any legal proceeding which LANDLORD may have initiated or be in the process of initiating.

L. In the event of any default by TENANT, all monthly rent for the remaining term of the lease shall be accelerated and shall be fully due and payable without notice by LANDLORD. This right of acceleration is in lieu of having rent for the entire term payable when the lease contract begins.

M. TENANT is advised, that in the event that LANDLORD owns five or fewer single family homes, that the notice period for a default, pursuant to C.R.S. 13-40-104(5)(b), for the payment of monies due pursuant to this lease or for a default in any other condition of this lease shall be five (5) days not (10) ten.

1.4 SECURITY DEPOSIT

The TENANT hereby acknowledges that he has received the above described premises, and the personal property located therein, including <<Appliances Included>>, in good order and repair, and will, at the expiration of the term of this Rental contract, or LANDLORDS acceptance and surrender of the property, whichever should last occur, surrender and deliver up possession of said premises in as good order and repair as the same are at this date, ordinary wear and tear excepted. The TENANT further agrees to maintain the premises in a clean and sanitary condition, and in order to guarantee to the LANDLORD the surrender of said premises in good order and repair, the TENANT hereby deposits with the PROPERTY MANAGER the sum of <<Security Deposit Charges>> as a security deposit to be returned to the TENANT within 60 days of the expiration of the term of this rental contract if the possession of said premises be delivered to the LANDLORD in such condition. The security deposit will be held in the Broadmoor Bluffs Realty Security Deposit Trust Account. The LANDLORD or PROPERTY MANAGER, using the move-in condition report, shall determine whether said premises are in good order and repair at the expiration of the term of this rental contract. By signing this rental contract, tenant agrees to receive Security Deposit Disposition Letter via email.

A. All or any portion of the security deposit may be used, as reasonably necessary, to (1) cure TENANT'S default in payment of rent, late charges, non-sufficient funds fees, or other sums due; (2) repair damage, excluding ordinary wear and tear, caused by TENANT or guest; (3) clean premises, if necessary upon termination of tenancy; and (4) replace or return personal property. TENANT SHALL NOT USE SECURITY DEPOSIT AS LAST MONTH'S RENT.

B. If for any reason LANDLORD retains any portion of any security deposit, PROPERTY MANAGER shall notify TENANT of the reasons for such retention in writing.

C. No interest will be paid to TENANT on the held security deposit. If any interest accrues, it is sent directly from the banking institution to Colorado Association of Realtors Housing Opportunity Foundation.

D. Failure of TENANT to pay security deposit on day of lease signing will make this contract voidable by LANDLORD or PROPERTY MANAGER. If TENANT pays the security deposit but does not sign the lease or move into the premises, the entire security deposit will be retained by the PROPERTY MANAGER, \$350 used to re-lease the property, and the remainder of the security deposit given to the LANDLORD as a cost of holding the property off the rental market.

E. TENANT will be required to pay for all breakage, and for all damage done to the furnishings or building, even when said damage requires repairs in excess of the security deposit.

F. In the event the Security Deposit is returned, it may be made payable to all named TENANTS jointly or to any individual TENANT, at LANDLORD'S election, unless LANDLORD receives written instruction, signed by all TENANTS, to refund it differently. LANDLORD shall be free to apply any retained Security Deposit to any and all charges which are due, in such order or allocation as LANDLORD shall elect. The Security Deposit accounting may be mailed to the last known address of any single TENANT.

2. Policies and Procedures

2.1 USE OF PREMISES

It is expressly understood and agreed that the TENANT'S occupancy of said premises shall consist of <<Tenants (Financially Responsible)>> <<Other Occupant(s)>>, and the TENANT may not increase the number of occupants in said premises, except for casual visitors (less than 2 week stay), without the written consent of the LANDLORD (more than 2 week stay, less than 45 days). Any change to the number of occupants must be reported to the PROPERTY MANAGER, and if the new occupant meets Broadmoor Bluffs Realty's Tenant qualifications and is approved by the PROPERTY MANAGER, the rental contract will be updated for a \$75 fee. Any deleting, "swapping" or adding of roommates will incur a \$75 administration fee, in addition to the application fee for the new roommate(s). The TENANT shall not use or allow the Premises to be used for any disorderly or unlawful purposes, or in any manner offensive to others, and the TENANT shall comply with all applicable laws, ordinances and rules and regulations.

If **unapproved roommates (more than 45 day stay)** are found by the PROPERTY MANAGER, a \$500 penalty fee will be assessed, and this is immediate grounds for eviction. If current TENANT wants to add unapproved roommate(s), the unapproved roommate(s) must meet Broadmoor Bluffs Realty's Tenant qualifications AND the PROPERTY MANAGER must approve the "unapproved roommate(s)," the TENANT must pay a non-refundable fine of \$500 per unapproved roommate, as well as additional rent of \$250 per roommate per month, and a new rental contract will be executed at this time.

2.2 HOME OWNERS ASSOCIATIONS RULES AND REGULATIONS

If this property is located within a home owners association, LANDLORD agrees to provide a copy of the Declarations, Articles, Bylaws and Rules and Regulations of the Association to the TENANT. TENANT agrees to abide by all Declarations, Article, Bylaws and Rules and Regulations of the Association and to pay fines for any violations. If LANDLORD or PROPERTY MANAGER receives a violation letter for the property, TENANT will automatically be billed a \$25 administrative fee plus the cost of any fine or other charge imposed by the Association. TENANT failure to comply with the terms of any of these HOA governing documents will be deemed a default under the lease.

2.3 PETS AND PET FEES

The TENANT may not keep pets (which are NOT permanently caged) on said premises without the written permission of the LANDLORD. This includes visitors with pets and pet-sitting. If LANDLORD allows pets, the tenant will pay required additional security deposit prior to move-in, and monthly pet rent per the pet addendum. This non-refundable monthly pet rent is for the privilege of keeping a pet on the premises, and the additional wear and tear on the property. A pet addendum will be attached to this contract if pets have been approved. Pets which are permanently caged need to be coordinated with LANDLORD and written permission granted.

If unapproved animals are found by the PROPERTY MANAGER, this is immediate grounds for a \$500 fine per animal and eviction. If the LANDLORD approves the "unapproved animal," the TENANT must increase the security deposit by \$300 for each animal and pay a fine of \$500 per animal as well as pet rent of \$35 per pet per month, plus any HOA pet fees for the term of this rental contract. The rental contract will be updated and a pet addendum attached to the contract for the previously unapproved animal. This will incur a \$75 lease administration fee.

2.4 REPAIRS, ALTERATIONS, & ADDITIONS

No repairs, alterations or additions to said premises shall be made by the TENANT without having first received the written permission of the LANDLORD or PROPERTY MANAGER to the making of such repairs, alterations, or additions, to include: Ring doorbell, ceiling fans, painting, wallpapering, adding or changing locks, installing security system, installing a satellite dish, installing a flat panel TV wall bracket, using screws, fastening devices, large nails, or adhesive materials; changing landscaping (to include xeriscaping), or performing electrical work/wiring. TENANT shall not cause any holes to be made in the premises by hanging or affixing large items on interior or exterior walls without the consent of the LANDLORD or PROPERTY MANAGER (this does not include normal picture hangers/nails). Tenant shall not set up a trampoline due to high Colorado winds and killing grass beneath it.

A. If approved by the LANDLORD or PROPERTY MANAGER, all repairs, alterations, or additions to the premises made during the term of this rental contract by the TENANT shall be made at the sole expense of the TENANT and all such repairs, alterations, or additions shall, at the expiration of the term of this rental contract, be and become the property of the LANDLORD and he shall be under no obligation to reimburse the TENANT for any sums of money so expended in making such repairs, alterations, or additions to the interior of said premises. TENANT will be charged \$100 for each unapproved alteration plus the cost to return to original to include contractor costs, Property Management hourly fee and trip fees.

B. All major repairs and maintenance of the heating, plumbing and wiring system on said premises shall be paid for by the LANDLORD, provided the necessity for such repairs and maintenance is not due to the negligence or carelessness of the TENANT (at sole discretion of the Broadmoor Bluffs Realty PROPERTY MANAGER), in which event such expenses shall be borne by the TENANT. One example of negligence is disposing of anything into the toilets other than toilet paper, resulting in clogging the system.

C. Any repairs or maintenance to the home and property necessitated by the negligence, carelessness, or improper acts or abuse of the TENANT or TENANT'S guests, shall be the sole responsibility of the TENANT and shall be immediately repaired by the TENANT after having first obtained the consent of the PROPERTY MANAGER. TENANT shall be totally responsible for the deductible portion of LANDLORD'S Property Insurance, which is used to pay for repairs or maintenance which is caused by TENANTS' or TENANTS' guest negligence or willful acts. This clause shall not be construed to release TENANT's liability to the Insurance Company who adjusts or pays any such claim. TENANT acknowledges they are responsible for the property while it is in their care, custody and control while occupied or leased to them.

D. LANDLORD shall not be liable for loss of food due to loss of power, malfunction or breakdown of refrigerators or freezers, or under any other circumstances.

E. LANDLORD shall have the authority to terminate this lease if Code Violations are issued on the property that would require the residence to be vacant, in the event the property is not habitable as defined by Colorado Law and/or in the event repairs or violations cannot be corrected in the time frame allotted by the authority issuing the violations. LANDLORD may terminate the lease by giving TENANT a 10-day demand for possession, if habitability issues occur.

F. If TENANT wants to install an electric car charger, LANDLORD MUST give prior approval. TENANT will bear cost of electric panel upgrade, charger, and installation by a licensed electrician that meets manufacturer installation requirements and applicable building codes or safety requirements. TENANT will be responsible for all costs or fees that may be levied on the owner by utility provider as a result of electric car charger installation. At the end of lease, TENANT is responsible for all costs associated with having a licensed electrician remove their electric car charger and restoring property to previous condition, or get LANDLORD approval to leave the electric car charger.

2.5 LANDLORD/PROPERTY MANAGER ENTRY AND INSPECTION

The LANDLORD or PROPERTY MANAGER may inspect and enter upon the leased premises at all reasonable times during the term of this rental contract for the purposes of inspecting said property, provided, however, that the LANDLORD or PROPERTY MANAGER shall give reasonable notice (24 hours) to the TENANT of his desire to inspect said premises under the terms of this paragraph. This includes entry for appraisals and repairs. Said 24 hour notice will not be required when the purpose of the inspection is to verify compliance after service of a 10-day notice (Demand for Compliance or Possession). In such event the LANDLORD may enter upon the leased premises without any advance notice to the TENANT. The LANDLORD or PROPERTY MANAGER shall have the right to show the premises to prospective tenants or purchasers at reasonable times and upon providing reasonable prior notice (minimum 24 hours) to the TENANT of the intended time(s) of the showing during the last 60 days of the term of this rental contract, and to place a "For Rent" or "For Sale" sign in an appropriate location on said premises during said 60 day period. Failure to allow the property to be shown during this period will result in a \$50 fee for each entry occurrence denied, and this shall be a breach of this lease. **PROPERTY MANAGER will do a drive by inspection quarterly and a walk-through inspection twice per year** subsequent to giving the TENANT 24-hour notice of the date and time of the walk-through inspection.

2.6 DAMAGE BY FIRE, THEFT, AND VANDALISM

In the event of damage to the Premises by fire, flood, or other casualty, LANDLORD shall repair the same with reasonable dispatch after written notice of such damage by TENANT. If the Premises or any part of is damaged by fire, flood, or other casualty to such extent that the enjoyment of the Premises is substantially impaired, TENANT may immediately vacate the Premises and notify LANDLORD in writing within fourteen (14) days of the intention to terminate this rental contract without penalty. If, however, the damage to the Premises by fire, flood, or otherwise, was caused by the deliberate or negligent act of the TENANT, or any person on the premises under the authority of the TENANT, no option to terminate by TENANT shall exist and TENANT shall be liable for the rental fees due until the rental contract is terminated.

- A. LANDLORD is not responsible for fire, theft, or damage to the TENANT'S personal effects, etc., in any portion of the building or grounds.
- B. TENANT is responsible for purchasing a renter's insurance policy to cover personal possessions, property damage, and liability. LANDLORD STRONGLY ADVISES TENANT TO OBTAIN SUCH INSURANCE.

2.7 MARIJUANA

The parties agree that it shall be a breach of this rental contract for TENANT to grow, cultivate or raise marijuana on or in the property or for TENANT to sell, dispense, or become a dispenser of marijuana, regardless of whether TENANT has or is licensed to do so and regardless of whether TENANT has been granted the right to supply or provide marijuana to persons in need of the same. The growing, cultivation, raising or dispensing of marijuana is a violation of this rental contract and will subject TENANT to eviction and or any other remedy available to LANDLORD pursuant to this rental contract. It shall also be a breach of this rental contract for TENANT to use or smoke marijuana on the property (this includes garages, yards, patios, balconies, etc.) even if TENANT has a prescription for its medical use or if TENANT is legally registered for such use. TENANT shall be required to use or smoke marijuana off the premises and a violation of this shall subject TENANT to eviction and or any other remedy available to LANDLORD pursuant to this rental contract.

2.8 JURY TRIALS / WAIVER / FEES

In the event of any dispute concerning this lease, the security deposit, enforcement of the lease or interpretation of the same, or a dispute about monies due, the prevailing party in such dispute shall be entitled to recover their reasonable attorney fees and costs. In the event of an action pursuant to C.R.S. 13-40-101 et seq., the prevailing party shall be entitled to recover its reasonable attorney fees.

JURY TRIALS/WAIVER: TENANT and LANDLORD agree that both parties waive the right to a jury trial on the issue of possession of the property.

If included, washers and dryers will be repaired/replaced by LANDLORD, as long as there is no indication of tenant negligence.

F. 3.2 TENANT RESPONSIBILITIES

A. TENANT confirms that they have received a "Rental Move-In Condition Report" at occupancy which shall be completed by TENANT and returned to the LANDLORD no later than two weeks after occupancy. If TENANT fails to complete and return said report within the specified time, the property shall be considered to be in excellent condition. PROPERTY MANAGER signature is proof of completion and turn-in of this report.

B. TENANT acknowledges the premises were clean and unstained (or annotated otherwise on the checklist) at the time possession was received, and TENANT will clean the premises and appliances thoroughly in accordance with the Broadmoor Bluffs Realty Cleaning Addendum, prior to the termination of this rental contract.

C. ALL UTILITIES are paid for by the TENANT. In some cases, trash is included in the HOA fee paid by the LANDLORD.

D. TENANT agrees to provide a personal phone number, a work phone number, and an email address to LANDLORD and PROPERTY MANAGER, as well as changes to this contact information.

E. TENANT is responsible for keeping the property and dwelling in a clean and kept manner to minimize the attraction of rodents, pests and insects. Tenants should take reasonable steps to not keep items such as foods, sweets, or trash exposed that would be an attractant for rodents, pests and insects. If an infestation of rodents, pests or insects is identified, the TENANT needs to immediately notify the PROPERTY MANAGER of the situation or open a work order in their portal that identifies the number and type of rodents, pests or insects observed, the number of occurrences and locations. The PROPERTY MANAGER will then coordinate with the TENANT to provide a course of action to remedy the situation, including professional extermination if required.

F. TENANT shall not engage in any business ventures in or on the leased premises (such as child day care, etc.), or park commercial or business vehicles at the residence without the written permission of both the LANDLORD and HOA if applicable.

G. TENANT shall be responsible for the day-to-day maintenance of said premises throughout the term of this rental contract. If tenant calls on PROPERTY MANAGER to diagnose or fix issues that are a TENANT responsibility, the TENANT will be charged \$50/hr for time and billed for all parts used by PROPERTY MANAGER, or any cost of third party trades person called to address an issue determined to be a TENANT responsibility or caused by TENANT negligence. TENANT further agrees to keep the lawn, trees, and shrubs on said premises properly watered, trimmed (lawn and shrubs only), and free from trash. See Landscaping Addendum for additional responsibilities. Yard is to be maintained (including removing fallen tree limbs and leaves) even during vacation times when TENANT is away from the premises.

H. TENANT shall be responsible for all door, window, and screen damage during the rental contract caused by TENANT, TENANT's guests, and TENANT's pets/animals. Any damaged doors, door locks, or doorjamb caused by forced entry, absent an act of vandalism for which the TENANT is not responsible (police report must be filed), shall be repaired at the TENANT'S expense. TENANT shall be responsible for all damage to storm doors and fence gates caused by improper use, lack of maintenance, or wind damage.

I. Winterization: The outside water faucets are in proper repair at the time of occupancy and any repairs caused said faucets by freezing due to leaving the hoses attached during winter months and or TENANTS negligence shall be the responsibility of the TENANTS. Also, any damage to a sprinkler system due to freezing because TENANT failed to have the system professionally winterized (blown out) and or TENANTS negligence shall be repaired at the TENANT'S expense. TENANT MUST PROVIDE RECEIPT OF SPRINKLER WINTERIZATION each year.

J. House Temperatures: TENANT must keep house temperature at least 65 degrees at all times to keep pipes located in exterior walls from freezing. TENANT will report any furnace or thermostat failure immediately. Do not turn off heat if going on vacation. During the summer, house temperature must be set to greater than 72 to keep the AC unit from freezing over. Changing furnace filters monthly will give maximum heat and cooling efficiency.

K. TENANT must protect countertops from burns, knife cuts, and other damage.

L. TENANT shall place no contact paper in cabinets or scotch tape on walls or woodwork.

M. TENANT shall not put any grease, potato peels, celery, lettuce or coffee grounds, etc. down the sink drains. The garbage disposal is not a blender. All bulky items should be tossed into the trash. Sink traps should be used at all times.

N. TENANT must protect floors at all times from damage by furniture with the use of glides, rests, or mats.

O. Upon vacating the premises, TENANT shall clean premises in accordance with the Broadmoor Bluffs Realty Cleaning Addendum. TENANT WILL HAVE ALL CARPETS PROFESSIONALLY STEAM CLEANED BY A "TRUCK MOUNTED" SYSTEM AND USE AN ANIMAL ENZYME TREATMENT IF ANIMALS WERE IN THE RESIDENCE, AND FURNISH RECEIPT AT MOVE-OUT.

P. TENANT agrees to test and maintain all smoke and carbon monoxide detectors located upon the premises, including battery replacement when required.

Q. TENANT shall be responsible for immediate removal of any oil or grease stains that appear on the driveway or garage floor during the term of this rental contract.

R. TENANT shall be responsible for snow, ice, dirt, and debris removal from the driveway, walkways, decks, and patios (do not use ice picks or salt, as this degrades/damages the concrete). TENANT will pay any fines received by local city, county or the HOA for not shoveling their snow. Colorado Springs City ordinance requires removal within 24 hours of snow completion.

S. TENANT shall not keep or have on the rental premises any article or thing of a dangerous, inflammable or explosive character that might unreasonably increase the risk of fire, or that might be considered hazardous by any responsible insurance company.

T. The TENANT will be responsible for TENANT negligence to the following items as included in premises: All appliances, screens, screen doors, broken windows, toilet stoppages (caused by negligence of the tenant), sink stoppages (caused by negligence of the TENANT), minor leaks (i.e. faucets, water spigots, and shower head gaskets), dryer vent clogs, all window coverings, and any other TENANT caused damages. TENANT is also responsible for replacing all consumable items, such as furnace filters, water filters, light bulbs, batteries, etc. TENANT must change the furnace filters quarterly, and use the correct size furnace filter or pay for whole house duct cleaning at lease termination.

U. TENANT (or any guests) will not smoke or vape in the home or garage. This is a non-smoking home. If smoking cigarettes outside, the TENANT must clean up cigarette butts. Smoking or vaping in the house is grounds for eviction. TENANTS who smoke or vape in the house will be charged for cleaning, HVAC system scrub, ionization, painting, and carpet cleaning/replacement.

V. We frequently get very high winds in Colorado - please ensure storm doors and gates are latched to keep from being torn off during high winds. This would be a TENANT responsibility to repair/replace.

W. TENANT must receive permission from PROPERTY MANAGER prior to changing locks and must immediately provide PROPERTY MANAGER with keys for any changed locks.

X. In the event TENANT does not pay rent timely, LANDLORD may serve TENANT with a demand for compliance. In the event TENANT is late again, within the next 12 months of the service of the demand, at LANDLORD'S election, LANDLORD may serve a demand for subsequent violation which is non-curable and will allow LANDLORD to remove or evict TENANT from the property without cancelling the lease.

Y. TENANT shall not keep or park vehicles on the property which are unlicensed, untagged, or inoperable. Having such vehicles shall be a breach of this lease.
